What this means

Nutrakey Industries Inc. (China) appears on the red list of the FDA import alert covering stevia leaves, crude stevia extracts and foods containing them, according to the supplied FDA records and the official FDA source. Red-list placement means covered products from this firm may be subject to Detention Without Physical Examination (DWPE); the records show no green or yellow listing for this firm under this alert.

- Compare the firm name, country and address on the official FDA import alert page with your supplier's invoices and shipping documents to confirm whether they refer to the same entity.
- Compare the product descriptions listed for this firm on the FDA page with the products and product codes on your purchase orders and entry documents.

Review

Firm matching is specific to the name, country and address shown above. Similar names can identify different suppliers.
